

# Christmas Orders 2017

Aubrey Allen®

Quality service & consistency since 1933

**“When ordering boneless meat we suggest 227g (8oz) raw weight minimum per person. For turkeys or cockerels you will need approx. 450g (1lb) raw bone in weight per person. A large goose will feed a maximum of 8 people, a medium goose up to 6, and a small goose a maximum of 4.”**

The following items only can be ordered in advance, and we strongly recommend doing so due to demand. Your meat will be reserved and we will assemble your order on arrival.

Please note that all meat prices were correct at time of printing, but are subject to market prices and may change without notice.

**Order by midday on Monday 18th December to avoid disappointment.**

**You can either: Order online** at [www.aubreyallenleamington.co.uk/christmas](http://www.aubreyallenleamington.co.uk/christmas) **or Hand your order form in at the shop** and we will email your order confirmation to you within 3 working days. If you do not have an email address we will post the confirmation to you.
